

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF APPLICATION OF SOUTH )  
CENTRAL BELL TO MODIFY ESSX )  
SERVICE, FOR CONFIDENTIAL TREATMENT ) CASE NO. 10212  
OF PROPOSED SECTION P12 AND TO )  
PROVIDE RATE FLEXIBILIITY )

O R D E R

On March 17, 1988, South Central Bell ("Bell") filed a tariff proposing to modify the existing ESSX service. The filing introduced new features for Digital ESSX service and provided structural changes for both ESSX and Digital/ESSX service. The filing also proposed that new subscribers be served under a new proprietary section to be known as the "P" section that will include the definition, rates, charges, and specific feature regulations for ESSX service. Regulations have been added that will allow new features to be added to the "P" section with support that the rates are at or above cost. These regulations will allow Bell to move the rates of ESSX service up or down as a form of flexible pricing.

The Commission is of the opinion and finds that further proceedings will be necessary to determine the reasonableness of the proposed tariff.

IT IS THEREFORE ORDERED that the proposed tariff be and it hereby is suspended for 5 months from the proposed effective date of April 18, 1988. The pages of the proposed tariff hereby suspended are:

GENERAL SUBSCRIBER SERVICES TARIFF
